

How to amend the constitution:

Step One: Propose

2/3 of congress OR 2/3 of state legislatures (at a convention) vote YES on an idea that has been proposed and discussed.

Step Two: Ratify - To accept or approve

3/4 of state legislatures or state conventions vote YES.

What is the difference?

A right of a US citizen-

(Give an example)

Example: our right to bear arms or own self defense weapons.

Freedom protected by a government's laws.

A responsibility of a US citizen-

(Give an example)

Example: We have the responsibility to vote.

A duty that someone is expected to fulfill.
